Dear Mr. Patrizio,

On behalf of the Board of Directors, the Staff and clients who receive services at Scarsdale Edgemont Family Counseling Service, I thank you and all of the volunteers of the Scarsdale Concours for your generous contribution of \$8,000.

The Concours is a wonderful community event that brings people together for several worthwhile causes. We count ourselves lucky to have been chosen as a recipient of the proceeds and we hope that we will again be considered in the upcoming year. Although there are many worthy organizations that I'm sure you must consider, we are working diligently here at home to ensure that the families of Scarsdale are healthy and strong. We believe this to be of vital importance as we believe that healthy families are the cornerstone of a healthy community.

The past year has been an exciting time here at SFCS. We are building upon the incredible work of those that served before us to insure that SFCS remains the beacon of hope and an anchor of community support for many years to come. We are on the verge of starting our office infrastructure improvements which will expand our offices to provide designated meeting space for group programming, a new confidential waiting and reception area and one additional therapist office.

Programmatically, we have redesigned and expanded the delivery of services to Scarsdale seniors; we have launched social skill groups for children and most recently, assumed leadership of the community Task Force on Drugs and Alcohol. Please know that your support makes a real difference and is deeply appreciated.

With gratitude,

James Genova, LCSW
Executive Director
